

<think>

Let me analyze the text provided about Nirav Thakur and generate 4 appropriate MCQs based on the resume content. I should create questions that test comprehension of key details from different sections of the resume.

Key information I can extract:

- Location: Navi Mumbai, Maharashtra
- Education: SSC from St Joseph high school (2021), Diploma in Computer Engineering from Pillai HOC College (2025)
- Skills: Programming (HTML, CSS, JavaScript), MS Office, etc.
- Internship: Hardware & Networking Intern at Quasco Consulting India Pvt Ltd (Jan 2024 - Mar 2024)
- Event Management: Euforia 2023/2024 at Pillai HOCL Campus
- Languages: English (Fluent), Hindi (Fluent), Marathi (Conversational)

I'll create 4 MCQs covering different aspects:

1. Education details
2. Internship experience
3. Technical skills
4. Personal information/languages

Let me format these properly according to the user's requested format.
